Term Four Week 5

Dear Parents

The students have been enjoying our theme of "The Beach and me" this term, especially in our dramatic play area! The first two weeks we focussed on "Me", particular drawing and painting a picture of our bodies, trying to remember to include all of our body parts. We have also been focussing on recognising our name and we will be doing some art related activities based on the first letter of our name next week.

We have been looking at the beach and activities children like to do at the beach. We have been reading the stories "Grandpa at the beach", "Spot goes on Holiday" and "Hooray for fish". When you are next in the classroom please come and look at the "At the beach paintings" and our beach mural.

Attached to this letter is some information on ways to help your child's further development. Please take time to read these two attachments.

On Thursday the 26th of November, we will be having a "Christmas Craft morning", where we plan to do lots of fun craft activities! If you are able to help with this, please write your name on the sheet next to the parent roster. If your child only attends Tuesdays, they will complete their activities on the following Tuesday. We will also be putting up a cleaning roster up soon, so please look out for that too!

Dates to remember:

26th November - Christmas Craft morning

2nd December - Kindy 2016 meeting

8th December- Pre-Kindy Christmas concert and end of year party.

10th December - Last day of Pre-Kindy.

Have a great week!

Christine Collie and Georgina Webster
