HOLY SPIRIT PRIMARY SCHOOL

SCHOOL UNIFORM

RATIONALE

The Holy Spirit school uniform has been developed in consultation with school leadership and community since the school opened in 1965.

The uniform embodies the colours and symbols that have been synonymous with the Dominican tradition over many years and is similar in all our Dominican schools throughout WA.

The school uniform plays an important role in defining who we are and supporting the school's values and establishing a sense of belonging.

Not only does our school uniform provide all Holy Spirit students a direct connection with the school community as a whole but it also provides for a sense of identification and security.

PRINCIPLES

1. Wearing of uniform is part of the contract between parent and school.
2. Parents need to be partners in the uniform policy.
3. Uniform includes all articles worn by students which are external clothing / accessories.
4. Students are encouraged to monitor their own wearing of uniform.
5. Students are not discriminated against regarding their school dress due to parents inability to financially provide for the school uniform.
